Dear Flynn:

As you may know, EXAM MASTER OnLine is presently used by students and residents at your institution for exam preparation and review for medical boards. This web based system allows users to access a large medical question bank for purposes of self-study and self-testing. The system offers a question bank of over 16,000 test items complete with detailed explanations. There is also a faculty version available which enables faculty to create and deliver quizzes and exams to students via the web. EXAM MASTER OnLine is now in used at over 145 academic health centers.

We are in the process of recruiting authors to assist us in updating and broadening our question bank to make it an even better resource for students and faculty. My reason for writing is to invite you to join us in sharing your knowledge and experience by creating high quality test items for use in the EXAM MASTER system.

EXAM MASTER Authors enjoy the following benefits:

- * Generous royalty plan
- * Flexible work assignments
- * Opportunities to develop new educational products
- * Worldwide exposure to your work

Who Benefits from your work:

- * Pharmacy students seeking an effective means for preparing for the NAPLEX
- * Medical libraries who provide EXAM MASTER to their constituents
- * Medical school faculty who use EXAM MASTER for student testing
