Hello Mr. Warren,

My name is Mike Persinger, and I attended your NAPLEX review at UGA last month. Just wanted to thank you for offering the course, it was a great help and a great amount of study material. At the course, you mentioned dropping you an email to perhaps be emailed more NAPLEX info as the year progressed and you receive feedback from students, and also for us to email you feedback as we begin taking the exam.

I wasn't sure if I understood you correctly about emailing you and vice-versa (if you keep some kind of list that you email NAPLEX info out to), so that's why I'm writing you today. I also wondered if you could recommend the course of action to best prepare for the exam in your experience. I'm overwhelmed by trying to cover all of the APhA book along with your packet, while working part-time. Would you recommend concentrating more on the files from your CD-ROM, or more on the commercial study guides?

Thanks so much sir, and best of luck to you in the future.

Mike Persinger

Hello Mr. Warren my name is Damien Eastman I attended the Naplex review you gave at Hampton University in Hampton, VA. The reason I am sending this email is to ask you if you have recieved any questions from recent graduates who have already taken the Naplex because I take it on Monday. If you could forward me any new questions I would truly appreciate it and I will send any questions that I remember after I have taken my exam. I also wanted to say Thank You your review has been extremly helpful in helping me prepare for my exam.

Good morning Flynn,

My name is Kendra Roundtree and I recently took your review in early May. During the review, you mentioned that we could email you to get any updates that have been submitted by people who have already taken the Naplex between then and now. I was wondering if you could email me any updates you have received for both Naplex and the Georgia MPJE. I am preparing to take both of these exams in the next couple of weeks.

Thanks,
Kendra

Dear Dr. Warren:

How are you doing sir?

I am glad to hear; the traditional review you have with students is continuing. I have a couple of graduating intern students under my supervision, and was wondering if I could request the up-to-date list of review questions to pass it forward to them.

Thank you for your consideration,
Have a Fabulous Day!
Kenny

Dear Mr. Flynn,

Thank you for conducting the review in Georgia. I attended this past week (May 10-11) and feel like I have a much better idea of what to do to prepare for boards. I remember you telling us to email you if we wanted to be put on the list to get the most updated board questions as peers are submitting. Would you please send me any updates on board questions as they become available. Thank you so much. I will be sure to submit my questions after taking the boards.

Sincerely,

Emily Adams Wilson

Mr. Warren,
I took your board review in Athens on May 9-11. I just got my ATT letter and am about to schedule times to take my tests. I just wanted to send you my email so that you could send me any feedback from the students who may have already taken the test or who will take it before me.
Thanks so much,
