Dr. Doyle:

Prior to the end of last semester, I received a complaint from a graduate student regarding interactions with you. I would like to discuss that complaint with you. Please contact me at your earliest convenience to set up a meeting. Thanks.

1/10 - I met w/ Charles Doyle + advised him of the grad. stud. compl. 7 viol. of sh policy. Also asked him about aug. he e-mailed an UG stud. during Spring Sem. 2004. He denied emphatically. We discussed the prohib. of him initiating emails w/ stud. I advised the restriction still applies. I advised no further action unless stud. came forward.
